

# 9X Pricing & Marketing System Confidentiality Agreement

**The undersigned agree to the following:**

1. License is for a single user only – which may also be a Husband/Wife Team. :o)
2. Unlicensed Assistants working under the supervision of the Realtor License holder may have access at no charge as long as they sign a separate Confidentiality Agreement.
3. Licensed Assistants or additional agents working on a “co-list” basis must secure their own license.
4. This plan may not be viewed or disclosed in any way to another real estate agent.
5. It is designed to assist in a Realtor’s preparation for a listing appointment and may be shown to a client.
6. However the only part that may be given to a client is the weekly “check sheet” of Realtor action items as well as the “Client’s Action Item List.” This must be done in PDF format or by hard copy – not by sending an excel document.
7. The “9X Marketing Group” will continue to refine this worksheet and share ideas within the group in the future which must also be kept confidential.
